

COMEDY NIGHT SCHOLARSHIP FUNDRAISER

We Need Your Help!

Dear Prospective Sponsor,

The East Central Ohio Pilots Association is working hard to do our part to reverse the trend of today's declining pilot population. One of the missions of our organization is to keep aviation, and learning to fly, a viable option for young adults who are interested. To accomplish this, the ECOPA Education & Safety Foundation offers flight scholarships every year to help young people in our region begin their aviation careers.

For 2019, we are hosting a **Valentine's Date Comedy Night** as the fundraiser for our Flight Scholarship Program. We are planning a fun-filled evening of laughs from five aspiring comedians and one headliner. There will be a cash prize awarded for best performances as voted upon by the audience. **100% of the proceeds will go to the ECOPA Flight Training Scholarship Program.**

The Scholarship Program would not be possible without generous financial support from people and organizations like you. Please help us continue this tradition by considering one of the sponsorships outlined on the attached Sponsor Form. **We VERY MUCH need your support** to be able to continue the extremely impactful mission of our Scholarship Program and to also continue underpinning the value of General Aviation in the ECOPA region!

If you would like to know more about ECOPA and/or this program specifically, please do not hesitate to contact us as we respectfully request your support to help us sustain our Program's success!

Sincerely,

Stephanie Childress, President

ECOPA EDUCATION & SAFETY FOUNDATION FACTS AT A GLANCE

- The ECOPA Education & Safety Foundation is recognized as a 501(c)(3) not-for-profit corporation. The funds contributed to this foundation are designated to provide educational and safety programs for our members and aviation enthusiasts, and to provide funds for our Flight Scholarship Program.
- The purpose of our Flight Scholarship Program is to award scholarships for flight training to young adults who display the aptitude, talent, drive and desire to learn to fly, and to help promote the value of General Aviation in the local East Central Ohio region.
- From 2013 to 2017, ECOPA awarded (22) flights scholarships for a total of \$36,000. During that time, 13 of the recipients have become private pilots and several of them have pursued additional ratings!
- In May of 2018, we awarded \$16,000 in scholarships! One of the recipients just passed her check ride, three of them have soloed, and one is working on his instrument rating!
- The Foundation promotes aviation safety among general aviation pilots through educational events such as safety seminars and Meetup group events, many of which are eligible for FAA WINGS credit.
